# Gallopers Sports Club

Gallopers Sports Club underwent a refurbishment in April 2016.

I was impressed by Artistic Carpets professional service and ability to deal with our tight deadlines. We have received nothing but positive feedback on the design plus the feel of the carpet and since the upgrade we have seen significant increase in patronage and sales.

While we have taken every care with our photography and brochure printing to ensure our images reflect the quality and colour of our carpets as accurately as possible, we do recommend you ask for samples before placing an order. This provides a chance to experience the products first hand and be 100 percent sure of the exceptional standard you will receive from Artistic Flooring.
